

***Henry A. Harbuck, Ph.D., Th.D.***  
***General Overseer and President of AEGA***

Bishop Henry Harbuck serves on the International Executive Presbytery Board as President that presides over the affairs the AEGA Fellowship. He was born in 1941 in the lowlands of Georgia to farmers who taught him the value of hard work. God called him at the early age of 17 to ministry. Upon finishing high school he attended Bible College and later enlisted in the army where he served in S. Korea for three years.

Although he had felt the call of God on his life at a young age, it was not until he was in his early twenties that he began to understand discipleship. Committing himself to be a disciple for the Lord, he gained valuable knowledge and experience by working under the leadership and guidance of several pastors for over 20 years. During these years he met and married his lovely wife, Jan, who also was called to ministry at a young age and they began to work together in ministry.

Dr. Harbuck served as youth minister, prison minister, evangelism director, nursing home minister, counselor, cleaning the church and whatever he was asked to do. By the time he reached his mid 30's, he had earned a Ph.D. in Psycho-therapy & Counseling and opened the first Christian Counseling Center in Monroe, Louisiana. He later earned a doctorate degree in Theology and co-founded Evangel Christian University and Omega Bible Institute & Seminary in the late 70's. In 1988, after years of seeking God about a fellowship, he met and prayed alongside several other mature men of God about the matter. Seeing the need for "truth & accountability in the ministry," their prayer was for a fellowship that would provide and spiritual, accountable and legal covering for independent ministers, ministries and churches. From this meeting came the formation of the AEGA (Association of Evangelical Gospel Assemblies – which was a local ministerial fellowship since 1976 under the name Christian Ministries) that now has members in 40 countries and networks in over 60 nations around the world!

Dr. Harbuck is an author, teacher, pastor, conference speaker, educator, certified naturopathic physician, and an ambassador for the Lord Jesus Christ. He is in the process of authoring a new bible entitled "The New Millenion Study Bible" which he desires your prayer to complete this work for the glory of God.....The Harbucks have a daughter Tanya, son Jeremy and two wonderful grandchildren, Jimmy and Cassey.
